

CHOLSEY PRE-SCHOOL

Newsletter 13th
January 10th 2020

This week we have.....

Been settling the children back in, going over rules and boundaries.

We have been learning our numbers and recognising numbers.

We have been singing nursery rhymes, which is good for our vocabulary and confidence.

We have been making 'Forky' from Toy Story by using a variety of construction materials.

We have got back into practicing meditation.

We have been learning about how to handle our emotions, especially anger.

Getting School Ready...

We have 27 weeks to go until the end of this Pre-School Year.

In this time we will be getting your child school ready. We will need to work alongside you, as parents/carers to enable us to do so.

Being school ready means they can do the following on their own:

- Be able to use the toilet and wipe themselves.
- Be able to do their own shoes.
- Be able to change themselves.

We help the children to become independent at Pre-School, but we also need this to be continued at home.

Parent Consultations

Parent Consultations will take place from Monday 27th January to Friday to Monday the 31st.

This is a perfect opportunity for you to come and speak to your child's keyperson about their progress, view their profiles and speak about any concerns you may have.

Please speak to your child's keyperson to arrange an appointment.

Dates for your Diary (please check Newsletters, Notice boards and Website regularly for updates)

MENTAL HEALTH

These are all factors that can be difficult for adults and children to negotiate. How we deal with them as adults reflects on the children. We will be looking at these and hopefully will be giving you helpful tips and tools to deal with each one over the next few weeks.
