

## PRE-SCHOOL

### This week we have.....

Been looking at Caterpillars and Butterflies as part of our Wanderlust: A Nature Study Programme. We now have some caterpillars at Pre-School, we have spoken about the life cycle of a caterpillar and are looking forward to seeing the caterpillars change over the next few days.

Been settling in. The first week after a week off we use to get settled back in, remembering our Pre-School rules and getting used to the Pre-School routine.

Had lots of water play, using pipes to see how the water flows.

Been doing lots of role play, ranging from café play to taxi drivers.
