

## PRE-SCHOOL

This week we have.....

Been looking at Christmas Decorations as part of our Wanderlust: A Nature Study Programme. Some of the children have been making their own decorations, using their own creativity to decorate them as they wish. The children have also made salt dough decorations.

Been practising singing, we have some very enthusiastic singers amongst us.

Been building mini obstacle courses which the children have been enjoying, deciding what they are adding into their obstacle course and how they should use it.

Had snow in water tray, which has been interesting to play with. We looked at the texture of the snow and what happened to it if we added water.

Been speaking about and watching a nativity and have spoken about why some people celebrate Christmas.

## Reminders

### End of Term.

On Friday the 17<sup>th</sup> we will be finishing at 3pm. Some of our parent's have asked if they can pick up earlier, this is fine as we know the Primary School are finishing a little earlier than us and it maybe easier to do one pick up rather than two. If you would like to pick up earlier on that day, please can you let us know that morning so we can write it on the register.

If your child would like to be dressed as a character from the Nativity next week when we video them, please do bring a costume in (everything named please).

Please can we ask that you put your child's name in everything, now we are coming into colder weather and the children are in more layers it can be extremely confusing for us to try and find their gloves, scarfs, jumpers, shoes, lunch boxes, snack containers, water bottles and so on if there isn't a name on it. It's even more confusing if two or more children have the same item of clothing, shoes, water bottles and so on. Thank you so much in advance for doing this, it will really help us.

## Dates for your Diary (please check Newsletters and online Notice Board for updates)
